

2018 International Fellowship Program

Meet & Greet

Come meet this year's [WFI International Fellows!](#)

Enjoy a casual evening of great conversation and refreshments as we warmly welcome the World Forest Institute International visitors to our natural resources management community.

The award-winning WFI Fellowship program brings natural resource professionals from around the world to the World Forestry Center for six months to learn about sustainable forestry practices that will help them make a difference back home.

April 17th, 5 - 8 pm
