

Local attractions are collaborating to offer expanded benefits to members in 2024.

Members can show their proof of membership, along with photo ID, to gain admission for up to four people at a different attraction each month, regardless of their level of membership.

FREQUENTLY ASKED QUESTIONS

HOW DOES IT WORK?

Visitors show their proof of membership to the gate attendants at the designated attraction to receive 4 admission tickets.

DOES THIS EXTEND TO OTHER MEMBERSHIP BENEFITS AS WELL?

No. This benefit is solely for attraction admission during regular business hours. The membership benefit does not extend to discounts on classes, camps, store merchandise, or special events.

IS THERE A DEADLINE FOR THIS OFFER? IN OTHER WORDS, DO YOU HAVE TO BUY A MEMBERSHIP BEFORE A CERTAIN TIME IN ORDER TO TAKE ADVANTAGE OF THIS BENEFIT?

The promotion for each month will apply to all current members. However, joining at the beginning of the year guarantees admission to all participating attractions.

IS IT A ONE-TIME USE BENEFIT, OR CAN IT BE USED THROUGHOUT THE MONTH?

The benefit is valid for the whole month, just as it would be for members of that attraction. You may use it as many times as you like at the featured attraction each month, but only one time per day.

RESTRICTIONS

- Member benefits only apply to individual, named members. This benefit does not apply to corporate or library memberships that do not have a named member associated with them.
- To access this benefit, members of participating attractions must show proof of membership, along with photo ID.
- Benefit is not transferrable, and only applies to current, named members of participating attractions.
- Members will receive no more than four admission tickets at the featured attraction, for each time they visit during the month, but no more than once per day.
- Benefit is for admission during regular posted hours only, and does not extend to other traditional benefits of membership, such as discounts, publications or special event admission.
