CHANGE THE WAY YOU SEE THE FOREST!

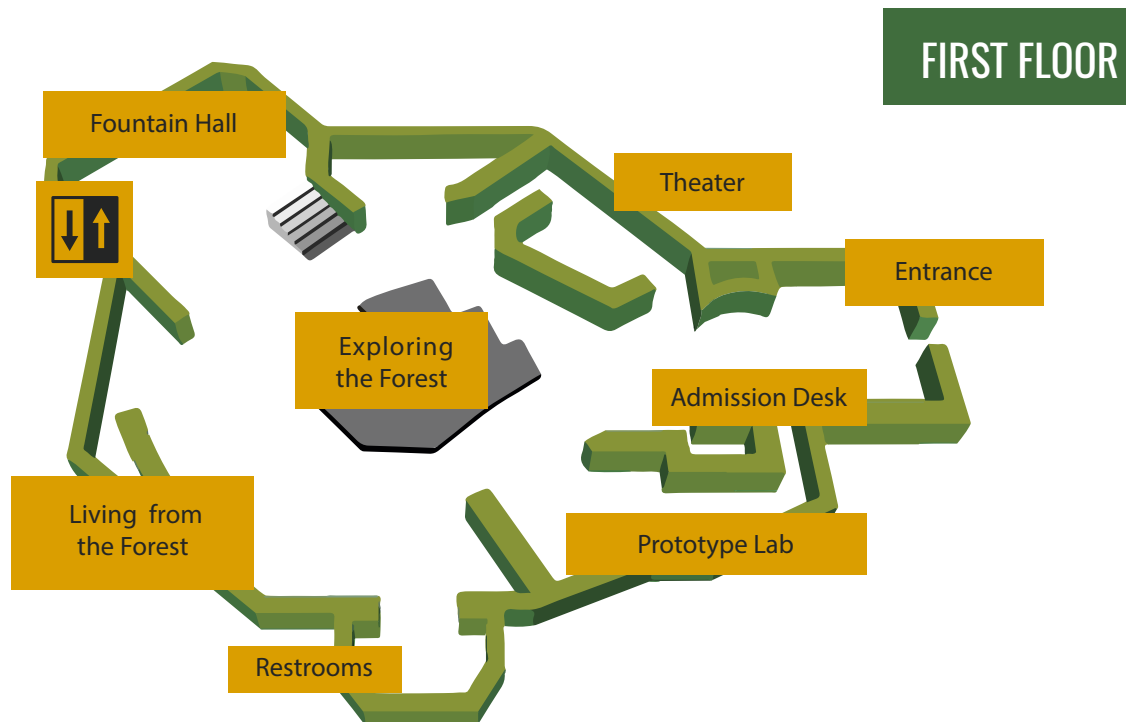

WHERE PEOPLE & FORESTS MEET

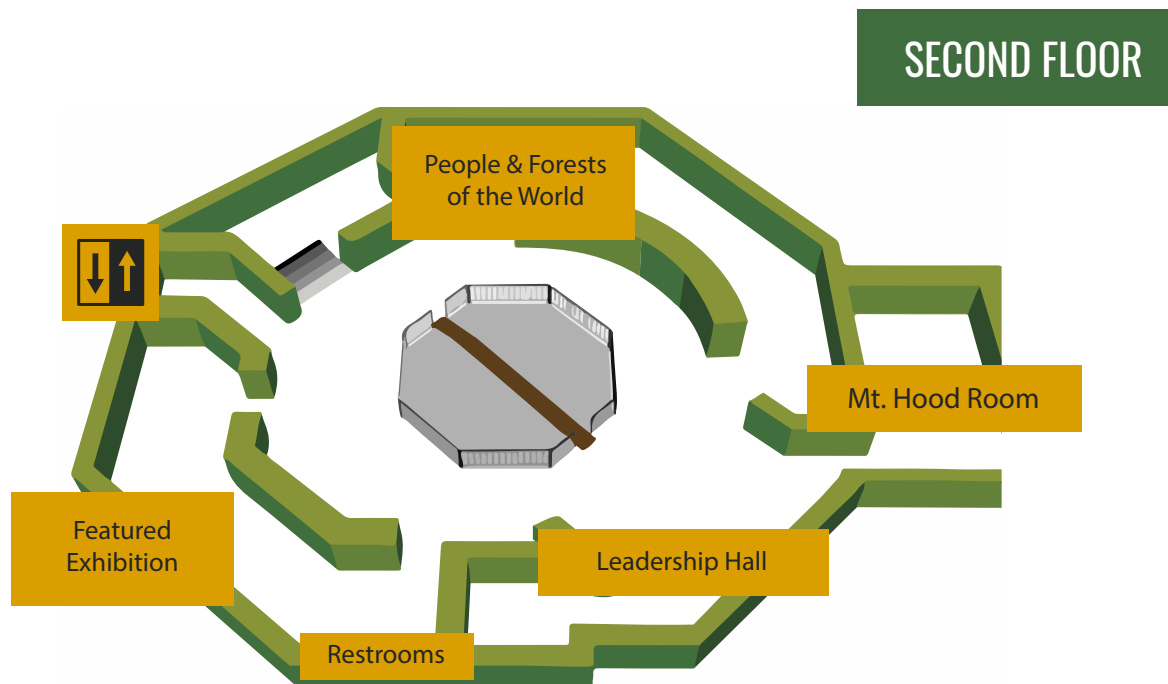

WORLD
FORESTRY
CENTER

worldforestry.org | 503-228-1367

The first floor focuses on the many roles that forests play in our lives. View the forest as a habitat, place for recreation and reflection, critical resource, and more.

Much of the second floor takes a global perspective, exploring how people around the world connect to and depend on their local forests. Rotating featured art exhibits explore critical forest issues through an unexpected lens.
